ECCC INFO DAY

In addition to the opening, closing and breakout sessions, you can also discover the following activities throughout the day:

Brokerage event

Are you looking for new contacts to make the most of EU programmes in the Digital field? Register and feature your cooperation needs in Horizon Europe and Digital Europe. Arrange Face2Face meetings with representatives of hundreds of companies, universities and research institutes worldwide working in the Digital sector, interested in sharing new project ideas and finding collaboration partners.

Registration is open: <https://digital2024.b2match.io/invitation/08LbH6k>

Get in-depth feedback for your Horizon Europe Proposal

With little more than a month away from 2024 Horizon Europe deadlines, the time is right to offer in-depth support for proposers via the Ideal-ist NCP network and experienced Horizon Europe evaluators. During full proposal check (FPC) sessions, you will receive in-depth feedback from experienced Horizon Europe evaluators and National Contact Points (NCPs) on your advanced proposal drafts.

Book your full proposal check today: <https://idealist2024.proposalcheck.eu/>

Get a Check for your Project Idea

Have a project proposal idea? Get early feedback from experienced National Contact Points at the event. National Contact Points (NCPs) will be available through the Face2Face area to review your project ideas. Discuss discretely with NCPs whether your idea fits the call topic you chose. Or get help to find another.

Register for the brokerage event and indicate your interest in a project idea check:

ECCC Info Day

For those who have not registered for a company visit and who are interested, a meeting on Cybersecurity funding opportunities is being set up.

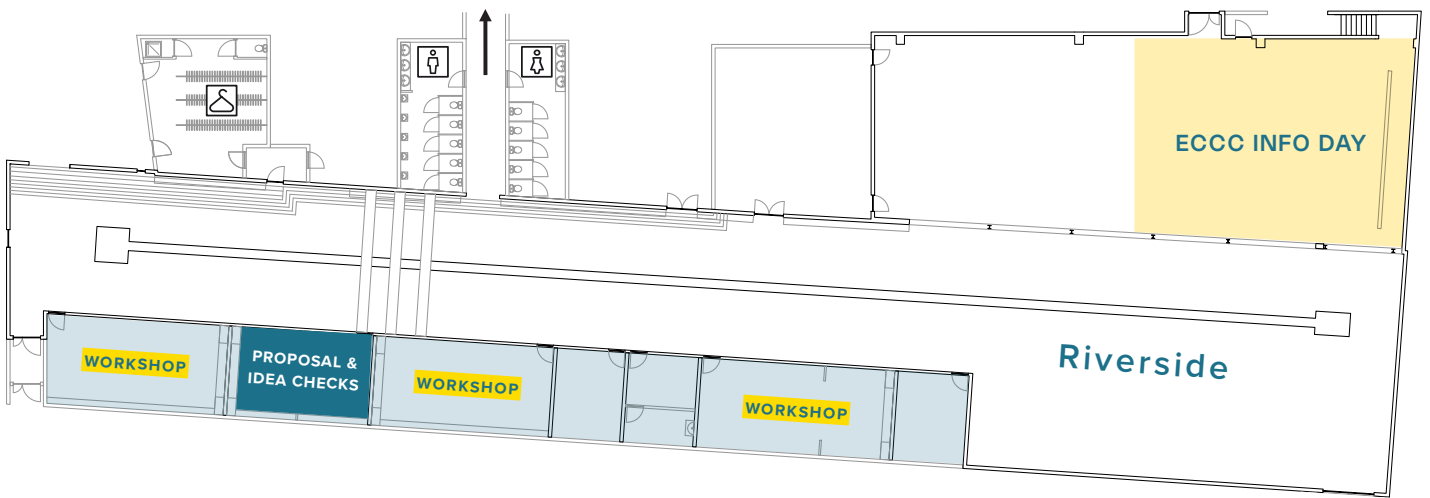

Along with dissemination of valuable information on the topics of the funding opportunities under the Digital Europe Programme and how to submit a successful application, this ECCC session will also offer to interested participants also have the opportunity to spontaneously pitch their project ideas in front of an audience including the very decision-makers of the allocation of EU funds. More information on the criteria for pitching can be found on the event page here.
